WINE CELLAR

We want the wines of the regions from which we took inspiration for the food at Mimosa to be well represented on our wine list. Local wines invariably make the best matches with their region's dishes and throughout our corner of the Mediterranean the two would nearly always be consumed together. We encourage you to do as the locals do and give it a try.

We also recognise that everyone's taste is different and we want you to enjoy your wine, so if New Zealand Sov Blanc is your one and only, or Aussie Shiraz is what floats your boat... don't worry, we've got you covered too with our selection of classic wine styles from around the world. To double up on your Mediterranean experience, choose one of the wines with the little

Cantine Lunae Vermentino Colli di Luni Bianco DOC Black Label, Italy **1,690 THB**

The Vermentino of the Lunae winery is one of the best creations of Paolo Bosoni, founder and soul of this appreciated reality enclosed between the blue mirror of the Ligurian Sea and the green panorama of Lunigiana. Lunae's philosophy is as simple as it is decisive: to exploit all the knowledge of its territory to transform a deep and rooted link over time into a wine that knows how to weave tradition and recent developments in the wine industry.

🍷 2021 M. Chapoutier Deschants Saint-Joseph, France 1,950 THB

The story began with Michel Chapoutier, a unique man with a thirst for knowledge, definitely one of a kind. He seeks to discover and reflect the full potential of his terroirs and let the soils express their true character.

This now forms the basis of the M. CHAPOUTIER ethos to reveal the very best of what the soils have to offer.

🍷 2019 Château Corbin, St Emilion Grand Cru Classé, France 4,290 THB

This 2019 vintage of Château Corbin heralds a revival of the Corbin style, with great elegance, a perfect balance between well-ripened red fruits, fine tannins and great length in the mouth.

A bottle that will age in your cellar for those who know how to wait.

The blend of the 2019 vintage is composed of 90% Merlot and 10% Cabernet Franc

The advice of 12bouteilles : A bottle that can wait for many years in your cellar. If you want to taste it, open the bottle at least 2 hours before serving it. It will go wonderfully with your meat, game and poultry.

*Perfect wine to drink immediately,
but can evolve well if left to
rest in the cellar.*

**BORN FROM A LOVE
OF FOOD, DRINKS**
*and the sunny shores
of the Mediterranean*
